

# Radiance™

## Odor Neutralizer Fresh Scent

### DESCRIPTION

This product is a broad spectrum organic odor neutralizer concentrate that is water soluble and formulated with Oxychlorodene for complete odor neutralization. Leaves a pleasant fresh scent in treated areas.

### DIRECTIONS

Read entire container label before using this product.

#### DEODORIZING:

- Apply as is (or use 1-4 oz. of product per gallon of water for economy) in a fine mist or spray directly and thoroughly to source of the malodor.
- In all cases use normal sanitation procedures to clean and remove all organic material.

#### FOR LARGE AREAS:

- Use a pump sprayer or electric spray mister.
- Apply freely and ventilate the treated area with high volume fans.

#### GARBAGE COMPACTORS:

- Spray or squirt a small amount of product directly into compactor, refuse container, and around storage area.

#### SMOKE DAMAGE:

- Clean affected areas completely with good detergent cleaner and hot water.
- Remove all evident sources of odor and organic material.
- Apply product directly to surfaces almost to the point of run-off with pump sprayer or electric mister.
- Ventilate area for several hours after application.
- Use high volume exhaust fans to remove stale air and bring in fresh air.

### FIRST AID

Have the product container or label with you when calling a physician or when going for treatment.

IF IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes. If easy to do, remove contact lenses after 5 minutes, if worn. Get medical attention if irritation develops and persists.

IF ON SKIN: Immediately flush skin with soap and water. Call a physician if irritation develops and persists. Remove contaminated clothing and wash before reuse.

IF SWALLOWED: Call a physician immediately. Do NOT induce vomiting unless directed to do so by qualified medical personnel. Never give anything by mouth to an unconscious person.

- For additional information, see Material Safety Data Sheet (MSDS) for this material.
