

Radiance™

Odor Remover

Bio-Enzymatic Drain Cleaner / Deodorizer

DESCRIPTION

This product is Mother Nature's first assistant in helping to digest and de-grade grease, oil, and fats in the entire waste system. This bioenzymatic cleaner and digester contains a selection of specialized bacterial strains and chemical cleaners specifically designed to make your toilets, sinks, showers, and pipelines sparkle like they never have before, while enhancing and maintaining the efficient operation of sewage treatment systems.

DIRECTIONS

BOWL CLEANER: Use daily as a toilet cleaner. Adequately cover the interior surface of the toilet bowl using a bowl mop. Leave this product in the bowl for as long as possible.

DEODORIZER: Physically remove as much of the source of the malodor as possible. Follow this by applying product directly on the source of odor with a sprayer or cloth moistened with this product.

DRAIN LINES AND DOWN PIPES: Daily use in shower, sink, and tub drains will keep pipes free and clear of grease, fats, and other solid waste. Use product 2 - 4 times weekly. Add just 2 oz. of product for each inch of pipe diameter. Example: 1" pipe = 2 oz. product, 4" pipe = 8 oz. product, etc. Regular use will not damage pipes or chrome.

SEPTIC TANKS: Add 1 quart for initial treatment. Then use 8 oz. of product per week by flushing down toilet.

BOAT AND RECREATIONAL VEHICLES: Add 2 oz. of product per gallon of water in holding tank. Then use one pint per week for maintenance.

APPLICATIONS

For use on:

- Toilets, sinks, showers
- Drains & down pipes
- Septic Tanks
- Holding tanks on recreational vehicles & boats

BENEFITS

- Pleasant odor
- Destroys urine salts
- Live bacteria and enzymes
