

Radiance™

Bonnet Shampoo

Supercharged with Enzymes

DESCRIPTION

This product is an excellent, concentrated spin bonnet cleaner that is supercharged with enzymes to digest soils and odors even after the pad has left the carpet.

DIRECTIONS

Pretest an inconspicuous area of carpet to determine colorfastness of the material.

1. Use 11 oz. of product per gallon of water.
2. Pre-spray carpet with solution and pressure sprayer. Allow 15 minute dwell time for enzymes to work.
3. Bonnet clean carpets using solution. Soak bonnet in solution, wring out tightly or use a pressure sprayer to spray a mist on pad and carpet. Add spray as needed.
