

# Radiance™

## Action Floor Stripper

### DESCRIPTION

A rinse free stripper that combines powerful solvents and wetting agents to completely strip even the toughest floor without the need for expensive floor machines or excessive scrubbing. You will save time and money using this product.

### DIRECTIONS

- Dilute product 1:10 (13 oz./gal.) for normal stripping requirements. For heavier build-up, dilute up to 1:4 (32 oz./gal.).
- Apply liberal amounts of solution uniformly to floor with a mop. Start with edges to give them more soak time.
- Let stripper solution soak for 2 – 3 minutes. **DO NOT ALLOW SOLUTION TO DRY ON FLOOR.** Longer soak times may be necessary for heavier build ups.
- Hand or machine scrub using a black pad or stripping brush.
- Pick up all of the solution with a clean mop, wet vac, or automatic scrubber.
- Mop up any tracks left by automatic scrubbers before they dry.
- Thoroughly rinse floor with water, using a clean mop.
- Let floor dry completely before applying floor finish.

### APPLICATIONS

For removing most water based floor finishes in:

- Schools and offices
- Hospitals and nursing homes
- Airports and retail
- All finished floors

### BENEFITS

- Liquefies burnished films
- Extreme stripping power
- Unlocks all polymer types
- Economical

### SPECIFICATIONS

Color .....Colorless  
Fragrance .....None  
pH Range ..... 13.5 - 14.0  
Dilution ..... 13 - 32 oz./gal.  
Density .....8.79  
Coverage .....200 sq. ft./diluted gal.

### PACKAGING

ITEM # .....SIZE  
10142700..... 2.5 gal.  
10079809..... 5 gal.
