## Super Floor Stripper

No Rinse

### DESCRIPTION

Ideal for every stripping application, this product is concentrated for greater economy yet is powerful enough to rip through even the hardest, highly burnished floors removing old layers of wax and finish in minutes. This product is so powerful that many floor finish removal applications do not even require a machine. If the time and trouble of stripping old wax and finish from your floors is a concern, this product is the answer. This very low odor and rinse free stripper combines all the features to make the best stripper available anywhere!

### DIRECTIONS

- Dilute product 1:12 (11 oz./gal.) for normal stripping requirements. For heavier build-up, dilute up to 1:4 (32 oz./gal.).
- Apply liberal amounts of solution uniformly to floor with a mop. Start with edges to allow more soak time. Let stripper solution soak for 2 - 3 minutes. DO NOT ALLOW SOLUTION TO DRY ON FLOOR. Longer soak times may be necessary for heavier build ups.
- Hand or machine scrub using a black pad or stripping brush. Pick up all of the solution with a clean mop, wet vac or automatic scrubber. Mop up any tracks left by automatic scrubbers before they dry. Detail mop with clean water.
- Let floor dry completely before applying floor finish.

### APPLICATIONS

For removing most water based floor finishes in:

- Schools & offices
- Hospitals & nursing homes
- Airports & retail
- All finished floors

### BENEFITS

- Extreme stripping power
- Liquefies burnished films
- Use less/do more
