

Radiance™

Heavy Duty Degreaser Multi-Purpose

DESCRIPTION

This powerful concentrate provides the grease and grime removal properties of a solvent cleaner in a water based degreaser which is much easier and safer to use than solvents. After diluting to the desired strength, this economical product provides a solution which may be simply sprayed or mopped on and wiped off in most applications.

Effectively removes grease, wax, gum, dirt, oil, ink, mildew and mold stains, carbon, lipstick or almost any tough soil load from virtually all surfaces. Due to low foaming qualities, this versatile product is also ideal for use with automatic scrubbers.

DIRECTIONS

Dilution is preset at 2 oz. of product per gallon of water (1:64). Not for use on glass. If incidental contact occurs, immediately rinse thoroughly with plenty of water. Never allow product to dry on glass surface.

NOTE: Before using this product in a federally inspected food processing operation, all food and packaging materials must be removed from the room or carefully protected. After using this product, all affected surfaces must be thoroughly rinsed with potable water.

APPLICATIONS

Tackles all types of greasy soils on most washable surfaces for:

- Commercial & institutional use
- Food service & transportation operations

BENEFITS

- Special blend of chelating agents
- Removes grease, oil, grime, and dirt
- Works in all water conditions
- Makes cleaning easier

SPECIFICATIONS

Color Dark Green
Fragrance None
pH Range 13.5 - 14.0
Dilution 4 oz./gal.
Density 9.22
