

# Radiance™

## High Gloss Floor Finish

### DESCRIPTION

A true work horse floor finish designed to provide worry free application properties and durability. Ideal for odor sensitive environments due to the extremely low odor polymer system used in this formula. This finish performs extremely well under any maintenance program such as scrub and recoat and low, medium, and ultra high speed maintenance programs.

### DIRECTIONS

1. Strip floor entirely of old finish using a recommended floor stripper.
2. Apply finish using a clean finish mop. Apply up to 5 coats per application. Allow 30 - 45 minutes for finish to dry completely before recoating.
3. **DO NOT** apply more than 5 coats in 24 hours.
4. Maintain floor by dust mopping or sweeping as needed.
5. Clean floor using a neutral pH floor cleaner with damp mop or autoscrubber.
6. If desired, floor can be ultra high speed burnished using a medium aggressive pad.

**KEEP FROM FREEZING**

### APPLICATIONS

For maintenance in:

- Schools and offices
- Supermarkets and retail
- Hospitals and medical centers

### BENEFITS

- High solids
- Hard, durable, non-yellowing
- Excellent off-the-mop gloss

### SPECIFICATIONS

Color..... White  
Fragrance .....Characteristic  
pH Range..... 8.0 - 8.5  
Dilution ..... RTU  
Density ..... 8.65
